**Programming (Visual Basic) - Exercise**

<u>Greeting</u>

Create an application that contains 3 buttons and a textbox. When 'Show Greeting' is clicked, the message 'Hello' will display in the textbox. When 'Clear' is clicked, the textbox is cleared. When 'Exit' is clicked, the program closes.

The methods needed are:
        To exit: Me.Close()
        To clear the textbox: greetingTextBox.Clear()

Use the following information to create the application:

Object	Property	Setting
Form	**Name**	**greetingForm**
	Backcolor	White
	Text	My First Program
TextBox	**Name**	**greetingTextBox**
	Text	Blank
Button 1	**Name**	**showGreetingButton**
	Text	Show Greeting
Button 2	**Name**	**clearButton**
	Text	Clear
Button 3	**Name**	**exitButton**
	Text	Exit
